## MIP Operations

The Company Sustainability Champion (CSC) program was initiated as an effort to raise visibility about, and participation in, MIP's Sustainability Program. The program is volunteer-led, with the CSCs serving as their respective company's point of contact for sustainability-related questions and suggestions. Through periodic email messages and conversations with colleagues, the CSCs will share information about what it means to be a sustainable citizen of MIP. Below is the list of CSCs for each company.

- Indigo Sol – Fred Meek
- Radiance – Sarah Doyle
- Roadrunner – Fritz Johnson
- Kasios – Helen Strong

## Employee Spotlight

Jennie Belz is a Roadrunner star in Logistics and Shipping. Jennie has worked for the company for 2 years and says about her work, "We have the greatest team and company in all of Mistford!" Jennie is attending Mistford Junior College pursuing her Masters of Business Administration in the evenings. "I love Roadrunner's tuition reimbursement plan!" she adds.

## Kasios Donates to Vandalized School

When Evergreen Elementary classrooms suffered severe water damage from sprinklers as part of an arson last April, the Mistford School Board wasn't sure where it would get the resources to replace the damaged furniture.

That's when Kasios stepped forward and donated more than \$50,000 worth of furniture, helping Evergreen to re-open before the end of the school year.

Just another example of MIP members making a difference!
